PONDER  
UNWIND

For adults.

MADL is thrilled to host Michigan Poet Laureate Dr. Melba Joyce Boyd in celebration of Juneteenth, in partnership with the West Michigan Symphony. Join Dr. Boyd and the acclaimed classical jazz Marion Hayden Trio for an evening of poetry, music, and history that is not to be missed.

Melba Joyce Boyd, the Poet Laureate of Michigan, and the Marion Hayden Trio, will present a program of poetry and jazz. Boyd and Hayden provide a unique collaborative experience that illuminates sonic and thematic parallels and patterns in communication in concert. Hayden's keen perception of the poetic elements in Boyd's poetry elevates and expands the creative experience with original musical compositions derived from Boyd's poetry.
